

Ansumana Darboe

Web Developer

CAREER OBJECTIVES

I am a front-end web developer with an eye for design and a strong desire to learn and create ideas into reality. I firmly believe in life long learning and I'm constantly exploring new concepts and technologies. I tend to code things from scratch and enjoy bringing ideas to life in the browser.

SPECIALIZATIONS

- Web Design
- Front-end coding
- Custom databases
- User Interface/User Experience
- Design Thinking
- Full Stack Web and Mobile App Development
